

# ACCELERATING INNOVATION

San Antonio, Texas | May 19-22

The purpose of this form is to prepare and save abstract information before submitting online. Abstracts must be submitted online.

## Abstract Worksheet

Titles and session abstract fields for approved abstracts are published to attendees, therefore, please indicate clearly what value your presentation will bring to this year's attendees (i.e. "what makes this presentation unique and worthwhile to attend?") within the session abstract field. See the Title & Abstract Development Recommendations for more guidance.

All sessions are 45-minutes in length, 30 minutes of presentation content and 15 minutes for Q&A.
